

Cycle Facilities at Granton Campus

Showers

Showers are available for all students & staff.

2 Individual showers are located on the ground floor at the back of the Hub (near lifts).

Communal showers are available in sports centre, where there are separate student & staff changing rooms.

There are a limited number of lockers for cyclists located on the ground floor at the back of the hub (near showers).

View of Granton Campus looking South

Noticeboards with a range of travel-related information are located on the ground floor at both main entrances to the hub.

Cycle Parking

Standard and secure cycle parking is available for all students & staff.

Standard parking is located close to both main entrances.

Limited cycle parking is available behind reception in the quad (assessed from north)

Secure parking is located in the car park (west entrance). Ask security at reception for access to the secure parking.

Cycle Repair

Tools to undertake minor repairs including puncture repair kits are free to use and available from security at reception in the Hub.

There is also a bike repair station in the secure cycle parking with a pump.
