

Edinburgh College

GRADUATION

2025

Edinburgh College Graduation

Welcome to Edinburgh College Graduation 2025. It is an honour to welcome you to this year's graduation ceremony - a moment of celebration, pride, and reflection on your achievements. On behalf of everyone at Edinburgh College, I offer my heartfelt congratulations to you, our class of 2025.

Today marks the culmination of your hard work and resilience, and we are delighted to celebrate your achievements with your friends, families, and supporters in the beautiful surroundings of McEwan Hall.

Graduation is one of the most important days in our college calendar. It is more than a ceremony, it is a milestone that recognises your journey

and your potential. Each of you has overcome challenges, embraced opportunities, and shown determination to reach this point. You should be incredibly proud of all you have accomplished.

As you look ahead to the future, the skills and knowledge you've gained at college will serve as a strong foundation for whatever comes next. We hope you are leaving Edinburgh College not only with a qualification, but with confidence, purpose, and friendships that will last a lifetime.

You are now part of a community of Edinburgh College graduates, a network of individuals making a real difference across the world. We encourage you to stay connected, share your journey with us, and continue to inspire those who follow in your footsteps.

Finally, I'd like to take a moment to thank our staff for everything they've done to support you to succeed. From our committed lecturers to our dedicated support teams, who have all worked hard to ensure you had

the very best experience at our college - thank you.

Congratulations class of 2025; have a wonderful day, make lots of memories and I look forward to hearing of your future successes.

With very best wishes to you for the future,

A handwritten signature in black ink, reading 'A Cumberford'. The signature is fluid and cursive.

Audrey Cumberford MBE FRSE
Principal and CEO
Edinburgh College

Edinburgh College Graduation

Edinburgh College - Where it all began

As an Edinburgh College graduate, you are joining a community of former students spanning over 100 years.

We value our rich history, especially those of the many legacy colleges that have come together over the years to better serve the people of the Edinburgh and Lothian region.

Edinburgh College Honorary Ambassador Award 2025

Each year, the Edinburgh College Board of Management recognises an individual who has, through direct involvement with the College, had a meaningful and sustained impact on the student experience. This year's Honorary Ambassador is Marshall Dallas.

With a dynamic and distinguished career spanning over three decades, Marshall Dallas has guided hotels, restaurants, and event venues through transformative growth, consistently delivering tangible results through an integrated approach to Food and Beverage (F&B). From concept development and market positioning to operational excellence and guest experience, Marshall's expertise covers every link in

the value chain. His reputation for aligning culinary creativity with commercial acumen ensures that F&B concepts are not just memorable, but also sustainable and profitable.

Marshall's journey in hospitality included senior management roles within renowned global hotel brands including Gleneagles Hotel, where he was instrumental in developing F&B concepts that resonated with shifting consumer tastes. He has overseen multi-million-pound restaurant and event operations, led high-performing teams, and managed strategic partnerships with leading chefs, suppliers, and innovators in the field.

In addition to his achievements in hospitality, Marshall is recognised globally for his transformative leadership in the events sector. Notably, during his tenure at the Edinburgh International Conference

Centre (EICC), he spearheaded the revival of a loss-making, insolvent company, guiding it to become a world-renowned leader celebrated for its innovative partnerships and unwavering commitment to sustainability within the global events industry. Under Marshall's stewardship, the EICC not only regained financial strength but also set new benchmarks for collaborative excellence and responsible event management, earning international acclaim for its progressive approach.

While at the EICC, Marshall played a key role in ensuring the organisation offered meaningful support and opportunities to the College's students. A committed supporter of our College community, we are delighted to recognise and celebrate his contributions at today's ceremony.

A large, light gray watermark of the Edinburgh College crest is centered in the background. The crest is a shield-shaped emblem. At the top, it features two lit torches flanking an open book. Below the book is a gear. The bottom half of the shield depicts a castle with three towers and a central gate, situated above wavy lines representing water.

Congratulations Edinburgh College Class of 2025

Without our partners and team of dedicated staff volunteers, our graduation ceremonies would not be the occasion that they are for all of our graduates. Our thanks goes to Marston Events for their support with bookings, gown hire and photography; to The University of Edinburgh team for their hospitality and enabling us to celebrate in the beautiful McEwan Hall; and to our Edinburgh College staff for their hard work in ensuring our graduates get the celebration they deserve.

Data Protection

Each ceremony will be live streamed via YouTube on the day allowing family and friends who cannot attend to share in the graduate experience. Photographs will also be taken throughout the event. The College's full Data Protection Policy for graduation can be viewed on the College website at:
