GRADUATION

2024

Edinburgh College Graduation

Welcome to Edinburgh College Graduation 2024. I am delighted that you have joined us on such a special and memorable occasion and – on behalf of everyone at Edinburgh College – I would like to offer my warmest congratulations on your graduation.

It gives me great pleasure that you are able to celebrate your success together with your friends, families, and supporters at the beautiful McEwan Hall.

Graduation is one of the most important days in our College calendar, marking the culmination of all your hard work and effort, and the beginning of the next chapter of your life. I hope you will each look back on your time with us

with fondness – not only having made fantastic memories, but also friendships that will last a lifetime.

Being a college student and gaining a qualification can be demanding, and I have no doubt that you have each faced challenges, made sacrifices and been stretched to your limits, but you all did it and should be very proud of all that you've achieved. I have every confidence that you will go on to future success and will make a valuable contribution to the world as great ambassadors for Edinburgh College.

You are an important and valued member of the extended Edinburgh College family, and your stories will pave the way for future students for years to come. So, please keep in touch with us; connect to our social media channels and the Friends of Edinburgh College network so that you can tell us what you are doing.

Finally, I'd like to take a moment to thank our staff for everything they've done to support you to succeed. From our committed lecturers to our dedicated

support teams, who have all worked hard to ensure you had the very best experience at our College – thank you.

Congratulations class of 2024; have a wonderful day, make lots of memories and I look forward to hearing of your future successes.

With very best wishes to you for the future,

Edinburgh College Honorary Ambassador Award 2024

Each year, the Edinburgh College Board of Management recognises an individual who has, through direct involvement with the College, enabled significant organisational transformation. This year's Honorary Ambassador is James Thomson OBE DL MI.

James Thomson OBE DL MI is one of Scotland's best-known independent restaurateurs and hoteliers. James was born and educated in Edinburgh. It was in Heriot's magical seventeenth-century surroundings that James saw and fell in love with the historic Old Town of Edinburgh and developed his passion for history, art and drama. He opened The Witchery at the age of 20,

making him Scotland's youngest licensee. 45 years later, The Witchery is an Edinburgh institution with global reputation. In 1989, James opened The Secret Garden at The Witchery, followed by nine enchanting suites, becoming one of Scotland's first Restaurants with Rooms. The Witchery was awarded AA Best Restaurant with Rooms in 2023/24. In 2003, James acquired and restored Prestonfield House, where he had worked as a student. His multi-million-pound renovation transformed it into one of Scotland's most luxurious hotels, earning AA Hotel of the Year and the prestigious AA Five Red Stars.

James studied an Ordinary National Diploma in Catering and Hotel Keeping at Telford College, one of Edinburgh College's legacy colleges, in 1977. For over 45 years, James

has also supported hospitality students at Edinburgh College, sponsoring international exchanges and creating the James Thomson Award for Customer Excellence. His legacy is one of innovation, elegance, and unwavering dedication to excellence in hospitality and tourism industry in Scotland.

Congratulations Edinburgh College Class of 2024

Without our partners and team of dedicated staff volunteers, our graduation ceremonies would not be the occasion that they are for all of our graduates. Our thanks goes to Marston Events for their support with bookings, gown hire and photography; to The University of Edinburgh team for their hospitality and enabling us to celebrate in the beautiful McEwan Hall; and to our Edinburgh College staff for their hard work in ensuring our graduates get the celebration they deserve.

Data Protection

Each ceremony will be live streamed via YouTube on the day allowing family and friends who cannot attend to share in the graduate experience. Photographs will also be taken throughout the event. The College's full Data Protection Policy for graduation can be viewed on the College website at:

www.edinburghcollege.ac.uk/data-protection-and-cookies

The background of the slide features a large, light gray watermark of the Edinburgh College crest. The crest is a shield-shaped emblem. At the top, it shows two crossed torches flanking an open book. Below the book, there are two crossed keys. The central part of the shield contains a gear-like pattern. At the bottom, there is a depiction of a castle or fortress with multiple towers and battlements, situated above wavy lines representing water.
