## 1. INTRODUCTION

This document details Edinburgh College's policy on tuition fees.

Tuition fee rates apply for a full academic session beginning 1 August to 31 July in the following year. Fees are subject to an annual revision and are due to be paid in full by the start of a course.

The College will waive the fees of any student entitled to support under the Scottish Funding Council (SFC) Fee Waiver Policy when studying an eligible course.

All other fees are payable in advance, unless funded by the Student Awards Agency for Scotland (SAAS) or Student Finance (England, Northern Ireland and Wales) and are non-refundable except in exceptional circumstances. In some circumstances there is the option of a payment plan.

The payment of fees is the responsibility of the student and, in the event of a student's sponsoring authority (if any) failing to make payment, the student will be held personally liable for payment.

Where fees are not paid according to the College policy, credit control measures will be implemented in addition to withholding student results.

This Tuition Fees Policy excludes Educational Maintenance Allowances, Bursaries and Child Support policies which are covered by separate policy documents.

## 2. PURPOSE

This policy details the College's approach to:

- The fee status and determination of students;
- Fee waivers and concessionary fees;
- Payment plans, to pay by instalments;
- Refunds, deposits and withdrawals.

### 3. SCOPE

The College must ensure that the policy for tuition fees including refunds, deposits and withdrawals represents fair and reasonable consideration towards students and simultaneously protects the College from financial loss.

### 4. TUITION FEES BY CATEGORY

#### Fee Status

Edinburgh College tuition fees are charged at one of the rates below depending on the student's fee status:

- Home – Scotland
- Home – RUK (Rest of the United Kingdom; England, Wales and Northern Ireland)
- International

In accordance with the relevant Fees Regulations, the tuition fee rate that students are charged depends on their nationality, immigration status in the UK, where they have been living and what they have been doing prior to the start of their course.

The 'home' fee rate is the rate currently applied to Scottish domiciled students and to applicable EU, EEA and Swiss nationals.

The 'RUK' rate fee is applied to students from elsewhere in the UK, however the fees are set at the same rates for 'home' students. The International rate is set by Edinburgh College.

The full-time Higher Education (HE) fee rate (for Higher National/sub-degree courses) is set by the Scottish Government and remains at £1,285. The Further Education (FE) full-time and part-time tuition fee rates remain at £1,008. The Edinburgh College tuition fee table for 2022/23 is attached at Appendix A.

As a result of the UK's exit from the EU, home fee status for some EU students coming to study in Scotland came to an end and some students were charged international fees from 2021/22.

## Fee status determination

The Scottish Government laid down the new Fee Status Regulations in May 2022: [The Education \(Fees\) \(Scotland\) Regulations 2022](#).

Additional information on Determination, Direction and FE Residency guidance can be accessed on the SFC website - [SFC: information for colleges](#).

The latest update to the Direction and Determination incorporates the additional eligibility criteria agreed by Ministers for Ukrainian Nationals - specifically for those who have been granted leave outside of the Immigration Rules.

- **Brexit Guidance – EU Settlement Scheme**

EU, EEA and Swiss nationals and their respective family members who are living in the UK by the end of the transition period (31 December 2020) and continue to live here after that date have citizens' rights under the EU Withdrawal Agreement, the EEA EFTA Separation Agreement and the Swiss Citizens' Rights Agreement ("the Withdrawal Agreements"). Those who meet the conditions of the Withdrawal Agreements can continue to legally reside in the UK and enjoy associated rights. The rights of those who move to the UK after the end of the transition period (unless they have citizens' rights as a family member of a person already in the UK) will be subject to new Home Office visa arrangements.

Those who have citizens' rights can apply for settled status via the Home Office's EU Settlement Scheme (EUSS). They will be awarded:

- **settled status** (i.e. indefinite leave to remain) if they have the requisite minimum of five years of continuous lawful residence in the UK, or
- **pre-settled status** (i.e. limited leave to remain) if they have a shorter period of UK residence (any period of residence of less than five continuous years). After five years of continuous lawful residence in UK they can apply to change this status to settled status and should do so before their pre-settled status expires.

Please note – Those who have a family member that is an eligible person of Northern Ireland can also apply to the EUSS (regardless of whether the family member is an EU, EEA or Swiss citizen). To be eligible, the person of Northern Ireland must:

- be a UK, Irish or dual UK/Irish national;
- have been born in Northern Ireland;
- at the time of their birth, have at least one parent who held British, Irish or dual nationality (or was without any restriction on their period of residence);
- be living in the UK by 31 December 2020.

### **Fee Status Table**

The table below provides a summary of the fee categories applicable to different categories of students.

**Home -  
Scotland**

- Students who normally live in Scotland and have British citizenship or 'settled' status (i.e. settlement, indefinite leave to remain) in the UK will have a fee status of Home – Scotland.

Students must have been ordinarily resident in the UK for the three years prior to the start date of their course and the main purpose of that period of residence must not have been to receive full-time education. Certain categories of home student fees status require that the student is ordinarily resident in Scotland on the 1 August or 1 January closest to the beginning of the first term of their course.

*The applicants below must all meet the residency conditions of 3 years in the UK, EEA or Switzerland and must be ordinarily resident in the UK at the start of the course.*

- EU nationals and their family members living in the UK before the end of 2020 who have settled or pre-settled status.
- Non-EU EEA and Swiss nationals and their family members living in the UK before the end of 2020 who have settled status, or are qualifying frontier workers who meet the existing migrant / frontier worker or self-employed conditions and have pre-settled status.
- The children of former migrant workers where the child has settled or pre-settled status.
- Family members of a relevant person of Northern Ireland living in the UK by the end of the transition period.
- Irish nationals and their family members living in the UK before the end of 2020.
- Irish nationals who move to the UK after the end of the transition period (31 December 2020).
- Dual UK/Irish nationals living in Northern Ireland who exercised their EU residence rights before the end of 2020.

	<ul style="list-style-type: none"> <li>• UK nationals and their family members living in the EEA or Switzerland on 31 December 2020 (or living in the UK immediately following a period of residence in the EEA or Switzerland).</li> <li>• Dual UK/EU nationals (within the personal scope of Article 10 of the EU Withdrawal Agreement) who are resident elsewhere in the UK who did exercise their EU residence rights.</li> <li>• Children of Turkish workers – both the child and the worker must have been ordinarily resident in the UK before the end of 2020.</li> <li>• Children of Swiss nationals where the Swiss national was living in the UK before the end of 2020 and has been granted pre-settled or settled status.</li> <li>• Certain other categories of students also qualify for Home student fee status depending on their nationality / UK immigration permission and ordinary residence.</li> <li>• In addition, in March 2022, the UK Government launched three immigration routes for Ukrainian nationals impacted by the conflict in their home country to resettle in the UK. <p><b>International</b></p>	<p>For students holding a passport or national ID card from a country outside the UK or the EU, UK national students without the relevant UK/EEA residency, or EU/EEA/Swiss nationals who do not have settled or pre-settled status under the EU Settlement Scheme, then the International rate will normally apply (unless they fall within one of the Home Student Fees category exceptions such as refugees). Students on a UK visa or Biometric Residence Permit with a time restriction / expiry date have limited leave to remain in the UK and do not have 'settled status'. Such students will not normally qualify for fees at the Home-Scotland or Rest of UK rates unless they fall within certain specified circumstances as below.</p>

## 5. FEE WAIVERS AND CONCESSIONARY FEES

This section details Edinburgh College's approach to fee waivers and concessionary fees.

Edinburgh College will waive the fees of any student entitled to support under the Scottish Funding Council (SFC) Fee Waiver Policy in respect of the activity of a student only if they meet all the relevant criteria in the policy. The policy generally focuses on the students rather than on the course of study.

Full-time and part-time students may be eligible for fee waiver grants for certain college courses provided they meet all the eligibility and residency criteria.

From academic year 2022-23, the College is able to allocate a fee waiver to students on all short full-time courses, where they meet eligibility criteria.

Fee waivers are generally not available to RUK or International students, however in specific circumstances fee waiver may be available.

Please refer to the Fee Waiver Guidance in the student fees section of the [College website](#).

Students will be asked to pay separately for any accommodation fees associated with their course.

Students must pay for any additional examination fees not already included as part of a standard tuition fee.

No concessionary rates are available to students.

Eligible courses are those whose fees are wholly covered by the fee waiver grant policy. Students taking two or more part-time courses will be eligible for a maximum of one full-time fee waiver. College fee waivers also arise where a student is not invoiced for fees for internal reasons such as (1) a staff member attending a course that has been approved by the Organisational Development team as part of their Individual Development Plan or (2) a student repeating a course or module due to a failure by the College.

## Waived Fees

Fees waived will be subject to the Fee Waiver Policy supported by the Scottish Funding Council (SFC).

Each claimant (student) must meet the eligibility criteria per the Policy to render a claim as valid. The College provides fee waiver guidance for students and staff (based on the Scottish Funding Council Policy).

## Fee Waiver compliance

Fee waivers can only be offered if candidates provide documentary evidence to prove eligibility for fee waiver funding.

## 6. PAYMENT PLANS

The College policy is that students are required to pay their course fees in advance of their course starting. Under specific circumstances, a student may be offered the option to pay fees by instalment, by setting up a payment plan. This option is only open to Home/RUK students. International students must pay 100% of fees prior to the College issuing an unconditional offer.

A payment plan can be arranged as per the schedule below. The first instalment must be paid at least two weeks prior to the commencement of a course:

Total Fees Due	No of Instalments
£250 - £750	3 (with the first paid prior to the start of the course)
£751 +	4 (with the first paid prior to the start of the course)
£1,008 +	5 (with 25% as the first payment paid prior to the start of the course)

Further details on how to set up a plan are available from the Finance Department: [Finance@edinburghcollege.ac.uk](mailto:Finance@edinburghcollege.ac.uk)

## 7. REFUNDS, DEPOSITS AND WITHDRAWALS

### Refunds

Tuition fees are non-refundable unless a written request is received for exceptional circumstances. Exceptional circumstances could include for example withdrawal from a course due to ill-health reasons, or exceptional family circumstances.

Refunds for International students are only available where a visa application is made following Edinburgh College and UKVI immigration guidelines and the visa application is unsuccessful. The request for a refund should be made in writing within four weeks of receiving the visa refusal. When a refund is confirmed, £250 of the deposit/fee will be retained by the College to cover administration costs. For full details of our refund policy for International students please contact [international@edinburghcollege.ac.uk](mailto:international@edinburghcollege.ac.uk).

A full refund (100%) will be offered if a course is cancelled by the College. The Head of Faculty must inform the Head of Finance (or Finance Manager) and provide the relevant course and student details.

### Deposits

International students are required to pay 100% of fees prior to the College issuing an unconditional offer. In very rare circumstances, and at the discretion of the College, alternative arrangements may be agreed.

Both deposit and refund information for International applicants is provided at enquiry stage, and is also available on the College's International web pages.

### Withdrawal from a course

Where a student withdraws or is withdrawn by the College for non-attendance or non-submission of work they will be liable for any outstanding fees.

In exceptional circumstances a student may withdraw from a course and be eligible for a refund as above.

## **8. RESPONSIBILITY**

The Chief Operating Officer, in conjunction with the Director of Finance are responsible for managing this policy.
