1. INTRODUCTION

This document details Edinburgh College's policy on tuition fees.

Tuition fee rates apply for a full academic session beginning 1 August to 31 July in the following year. Fees are subject to an annual revision and are due to be paid in full by the start of a course.

The College will waive the fees of any student entitled to support under the Scottish Funding Council (SFC) Fee Waiver Policy when studying an eligible course.

All other fees are payable in advance, unless funded by the Student Awards Agency for Scotland (SAAS) or Student Finance (England, Northern Ireland and Wales) and are non-refundable except in exceptional circumstances. In some circumstances there is the option of a payment plan.

The payment of fees is the responsibility of the student and, in the event of a student's sponsoring authority (if any) failing to make payment, the student will be held personally liable for payment.

Where fees are not paid according to the College policy, credit control measures will be implemented in addition to withholding student results.

This Tuition Fee Policy excludes Educational Maintenance Allowances, Bursaries and Child Support policies which are covered by separate policy documents.

2. PURPOSE

This policy details the College's approach to:

- The fee status and determination of students;
- Fee waivers and concessionary fees;
- Payment plans, to pay by instalments;
- Refunds, deposits and withdrawals.

3. SCOPE

The College must ensure that the policy for tuition fees including refunds, deposits and withdrawals represents fair and reasonable consideration towards students and simultaneously protects the College from financial loss.

4. TUITION FEES BY CATEGORY

- Fee Status

Edinburgh College tuition fees are charged at one of the rates below depending on the student's fee status:

- Home – Scotland
- Home - RUK (Rest of the UK; England, Wales and Northern Ireland)
- International

There is no difference in the treatment of students from Home – Scotland compared to those from the Rest of UK.

The full-time Higher Education (HE) fee rate (for Higher National/sub-degree courses) is set by the Scottish Government and remains at £1,285. The Further Education (FE) full-time and part-time tuition fee rates remain at £1,008. The Edinburgh College tuition fee table for 2021/22 is attached at Appendix A

As a result of the UK's exit from the EU, home fee status for some EU students coming to study in Scotland will come to an end and some students will be charged international fees from 2021-22.

- Fee status determination

The Scottish Government advises publicly-funded educational institutions in Scotland to determine 'home' fees eligibility using The Education (Fees) (Scotland) Regulations 2011, as amended ('the fees regulations'). The Scottish Government published amending fees and Student Support regulations The Education (Fees and Student Support) (EU Exit) (Scotland) (Amendment) Regulations 2021 in January 2021. These amendments will affect eligibility for students who commence a course from, on or after 1 August 2021.

In accordance with the relevant Fees Regulations, the tuition fee rate that students are charged depends on their nationality, immigration status in the UK, where they have been living and what they have been doing prior to the start of their course. The Home - Scotland fee is set by the Scottish Government and the rate for students who live in another part of the UK (RUK) outside Scotland is set by Edinburgh College. However, the fees for Home - Scotland and Home - RUK have been set at the same rates.

- Residency – EU Settlement Scheme

EU, EEA and Swiss nationals and their respective family members who are living in the UK by the end of the transition period (31 December 2020) and continue to live here after that date have citizens' rights under the EU Withdrawal Agreement, the EEA EFTA Separation Agreement and the Swiss Citizens' Rights Agreement ("the Withdrawal Agreements"). Those who meet the conditions of

the Withdrawal Agreements can continue to legally reside in the UK and enjoy associated rights. The rights of those who move to the UK after the end of the transition period (unless they have citizens' rights as a family member of a person already in the UK) will be subject to new Home Office visa arrangements.

Those who have citizens' rights can apply for settled status via the Home Office's EU Settlement Scheme (EUSS). They will be awarded:

- **settled status** (i.e. indefinite leave to remain) if they have the requisite minimum of five years of continuous lawful residence in the UK, or
- **pre-settled status** (i.e. limited leave to remain) if they have a shorter period of UK residence (any period of residence of less than five continuous years). After five years of continuous lawful residence in UK they can apply to change this status to settled status and should do so before their pre-settled status expires.

Please note – Those who have a family member that is an eligible person of Northern Ireland can also apply to the EUSS (regardless of whether the family member is an EU, EEA or Swiss citizen). To be eligible, the person of Northern Ireland must:

- be a UK, Irish or dual UK/Irish national;
- have been born in Northern Ireland;
- at the time of their birth, have at least one parent who held British, Irish or dual nationality (or was without any restriction on their period of residence);
- be living in the UK by 31 December 2020.

For more information about fee status determination please contact international@edinburghcollege.ac.uk or refer to ukcisa.org.uk.

Fee Status Table

The following table gives a summary of each fee status, however for more guidance, please contact international@edinburghcollege.ac.uk

<p>Home - Scotland</p>	<ul style="list-style-type: none"> • Students who normally live in Scotland and have British citizenship or 'settled' status (i.e. settlement, indefinite leave to remain) in the UK will have a fee status of Home – Scotland. <p>Students must have been ordinarily resident in the UK for the three years prior to the start date of their course and the main purpose of that period of residence must not have been to receive full-time education. They must be ordinarily resident in the UK at the start of the course and have applied/be applying to the EU Settlement Scheme. • Non-EU EEA and Swiss nationals and their family members living in the UK before the end of 2020 who have settled status, or are qualifying frontier workers who meet the existing migrant / frontier worker or self-employed conditions and have pre-settled status. They must also have resided in the UK, EEA or Switzerland for 3 years before the start of the course. • Irish nationals and their family members living in the UK before the end of 2020, who meet the residency conditions of 3 years in the UK, EEA, or Switzerland. Note: The Irish national does not require to apply for settled or pre-settled status (although they can apply) but the family member of an Irish National does have to apply to the EUSS. • Irish nationals who move to the UK after the end of the transition period (31 December 2020), who meet the residency conditions of 3 years in the UK or ROI and are ordinarily resident in Scotland at the start of their course. • Students recognised as refugees by the UK Government will have a fee status Home – Scotland. • Certain other categories of students also qualify for Home student fee status depending on their nationality / UK immigration permission and ordinary residence. Please contact international@edinburghcollege.ac.uk for more information.
<p>Home - RUK (England, Wales</p>	<p>Students who normally live in England, Wales and Northern Ireland and who have British citizenship or 'settled' status in the</p>

and Northern Ireland)	UK will have a fee status of Home - RUK and the fees will be the same as those for Home students. <i>N.B Students must also meet the same ordinary residence requirements as Home-Scotland students.</i>
International	For students holding a passport or national ID card from a country outside the UK or the EU, UK national students without the relevant UK/EEA residency, or EU/EEA/Swiss nationals who do not have settled or pre-settled status under the EU Settlement Scheme, then the International rate will normally apply (unless they fall within one of the Home Student Fees category exceptions such as refugees). Students on a UK visa or Biometric Residence Permit with a time restriction / expiry date have limited leave to remain in the UK and do not have 'settled status'. Such students will not normally qualify for fees at the Home-Scotland or Rest of UK rates unless they fall within certain specified circumstances as below.

5. FEE WAIVERS AND CONCESSIONARY FEES

This section details Edinburgh College's approach to fee waivers and concessionary fees.

Edinburgh College will waive the fees of any student entitled to support under the Scottish Funding Council (SFC) Fee Waiver Policy in respect of the activity of a student only if they meet all the relevant criteria in the policy.

Full-time and part-time students may be eligible for fee waiver grant for certain College courses provided they meet all the eligibility criteria and they are eligible for support on the basis of residence.

Fee waivers are not available to RUK or International students. In specific circumstances fee waiver will be available.

Please refer to the Fee Waiver Guidance in the student fees section of the college website.

Students will be asked to pay separately for any accommodation fees associated with their course.

Students must pay for any additional examination fees not already included as part of a standard tuition fee.

No concessionary rates are available to students.

Eligible courses are those whose fees are wholly covered by the fee waiver grant policy. Students taking two or more part-time courses will be eligible for a maximum of one full-time fee waiver.

College fee waivers also arise where a student is not invoiced for fees for internal reasons such as (1) a staff member attending a course that has been approved by the Organisational Development team as part of their Individual Development Plan or (2) a student repeating a course or module due to a failure by the College.

- **Waived Fees**

Fees waived will be subject to the Fee Waiver Policy supported by the Scottish Funding Council (SFC).

Each claimant (student) must meet the eligibility criteria per the Policy to render a claim as valid. The College provides fee waiver guidance for students and staff (based on the Scottish Funding Council Policy).

- **Fee Waiver compliance**

Fee waivers can only be offered if candidates provide documentary evidence to prove eligibility for fee waiver funding.

6. PAYMENT PLANS

The College policy is that students are required to pay their course fees in advance of their course starting. Under specific circumstances, a student may be offered the option to pay fees by instalment, by setting up a payment plan. This option is open only to Home/RUK students. International students must pay 100% of fees prior to the College issuing an unconditional offer.

A payment plan can be arranged as per the schedule below. The first instalment must be paid at least two weeks prior to the commencement of a course:

Total Fees Due	No of Instalments
£250 - £750	2 (with the first paid prior to the start of the course)
£751 +	3 (with the first paid prior to the start of the course)
£1,008 +	5 (with 25% as the first payment paid prior to the start of the course)

Further details on how to set up a plan are available from the Finance Department: Finance@edinburghcollege.ac.uk

7. REFUNDS, DEPOSITS AND WITHDRAWALS

- Refunds

Tuition fees are non-refundable unless a written request is received for exceptional circumstances. Exceptional circumstances could include for example withdrawal from a course due to ill-health reasons, or exceptional family circumstances.

Refunds for International students are only available where a visa application is made following Edinburgh College and UKVI immigration guidelines and the visa application is unsuccessful. The request for a refund should be made in writing within four weeks of receiving the visa refusal. When a refund is confirmed, £250 of the deposit/fee will be retained by the College to cover administration costs. For full details of our refund policy for International students please contact international@edinburghcollege.ac.uk

A full refund (100%) will be offered if a course is cancelled by the College. The Head of Faculty must inform the Head of Finance (or Finance Manager) and provide the relevant course and student details.

- Deposits

International students are required to pay 100% of fees prior to the College issuing an unconditional offer. In very rare circumstances, and at the discretion of the College, alternative arrangements may be agreed.

Both deposit and refund information for International applicants is provided at enquiry stage, and is also available on the College's International web pages.

- Withdrawal from a course

Where a student withdraws or is withdrawn by the College for non-attendance or non-submission of work they will be liable for any outstanding fees.

In exceptional circumstances a student may withdraw from a course and be eligible for a refund as above.

8. RESPONSIBILITY

The Chief Operating Officer, in conjunction with the Head of Finance are responsible for managing this policy.

Appropriate members of the Finance team are responsible for the effective operation of this Policy and Procedures.

9. DISCRETIONARY ARRANGEMENTS

In exceptional circumstances, normally on the advice of the Chief Operating Officer, this policy may be overridden at the discretion of the Principal.
